

CAPE MAY COUNTY EMPLOYEES

LOCAL 3596

August 19, 2008

Dear Gary,

The American Federation of State, County and Municipal Employees Local # 3596 that represents the County of Cape May Employees is proud to offer our support and endorsement to you as candidate for Sheriff for Cape May County.

Your previous leadership as President of the Ocean City Police union Local # 61, your current management position as Director of the Public Safety Training Center and the interaction during the last ten years with members of our union, demonstrates that you have a clear understanding of the needs of both the union and management concerns. Your meeting with our local convinced us that your ideas and plans for the Sheriff Office are in the best interests of Cape May County.

It is this working relationship that we have seen over the last ten years and the direction you intend to take the Sheriff's Office; we believe you make you the best choice for Sheriff for Cape May County. Our membership stands completely behind you. Please let us know what assistance we can offer you.

Best wishes,
