The Cape Atlantic P.B.A. Conference represents the majority of police officers and correction officers in Cape May and Atlantic Counties. Our organization is comprised of the delegates and presidents of the Policemen Benevolent Association unions from these two counties.

Our membership, at our May Monthly meeting, voted unanimously to fully support and endorses Gary G. Schaffer as the next Sheriff for Cape May County.

Gary is a gold life member of the Ocean City PBA Local # 61 and as President of that local was one of the original charter members of our organization that enabled us to have better representation at the State level. Gary still assists our local to this day.

His twenty five years as a police officer and thirty-five years of service to the public safety community of Cape May County, five years as President of the Ocean City PBA Local # 61 and a life member of the union, places him in a distinctive position to have a thorough understanding of the needs of both union and management personnel.

We fully endorse and support your efforts to be the next Sheriff of Cape May County. If our local can be of any further assistance to you please let use know. We wish you much success.

Sincerely yours,

Keith Bennett
Chairman
