The Cape May County Policemen's Benevolent Association Local # 59 at our membership meeting in May voted unanimously to endorse Gary G. Schaffer for Sheriff for Cape May County.

Gary is a gold life member of the Ocean City PBA Local # 61 and past President of that local. During his tenure as president we shared a great working relationship between our two locals. Gary was also one of the original charter members of the Cape Atlantic PBA Conference that enabled our locals to have better representation at the State level.

His thirty-five years of service to the public safety community of Cape May County, and a life member of the union, gives him a thorough understanding of the needs of the law enforcement community and the citizens of Cape May County.

As Director of the Cape May County Public Safety Community, we now have the finest training center in the State of New Jersey, offering us the latest in educational courses and training available both at the training site and now through the internet.

Director Schaffer's commitment to the public safety community earned him the 2001 Gene Carte Award for his life time contributions to the Criminal Justice System of New Jersey. He has had a direct hand in teaching or supervising the instruction of just about every law enforcement officer in Cape May County from patrol officer to Chief. His networking ability at this point among law enforcement personnel in this county is unprecedented.

It is our pleasure and honor to endorse you as begin your campaign to become the next Sheriff of Cape May County. We stand by you to assist you in away possible. Best of luck.

Sincerely yours
