The members of Ocean City P.B.A. Local # 61 at the April monthly meeting voted to fully support and endorse Director Gary G. Schaffer to be the next sheriff of Cape May County.

Gary Schaffer is one of only five gold life members of our local. While working for the Ocean City Police Department, Gary served as our President for over five years. During his tenure as our President, his management and leadership skills left our local fiscally sound. He developed several of our community based programs still in existence today.

His management and organization skills developed our police training facilities to the finest in the state, which directly benefits the members of our local and all police officers in Cape May County.

His thirty-five years of service to the public safety community of Cape May County and the networking he has developed, as well as a thorough understanding of the relationships between police unions and management, place him in a unique position to effectively lead the Cape May County Sheriff Department.

If our local can assist you in anyway, please advise me. We wish you the best of luck on your campaign.

Sincerely yours,

David W. Fletcher, President
