Dear Gary,

As retired chiefs of police from throughout Cape May County, we do not hesitate to fully support and endorse your candidacy for the position of Sheriff for Cape May County.

Some point in our individual careers all of us either worked or trained with you or, in some cases, were trained by you. We all recognize that your dedication to law enforcement as well as the entire public safety community here in Cape May County is second to none. Your outstanding work ethic, management skills, loyalty and devotion to the law enforcement field stands as a standard and example of what we would like to find in every person filling a leadership position in law enforcement.

The management and leadership style you have exhibited as Director of the Cape May County Public Safety Training Center clearly and thoroughly demonstrates your ability to get the job done. Working with various governmental agencies, the Cape May County Board of Chosen Freeholders, and the Cape May County Chiefs of Police Association, you identified needs, set objectives, formulated a plan and accomplished these objectives and goals. The end results of your efforts, is the finest police training facility in the State of New Jersey.

Now you have decided to redirect your professional career to yet another arena within Public Safety in order to continue to serve the citizens of Cape May County. We all share the same total confidence that once elected Sheriff of Cape May County you will once again focus your talents and abilities to bring our Sheriff's Department to a higher level of professionalism and efficiency. We are confident that you will continue the same professional relationships you maintained during our various tenures as Chiefs of Police with our current law enforcement leaders in order to accomplish the common goals.

Simply stated, you are clearly the only qualified choice for Sheriff for Cape May County. The following retired Chiefs of Police have joined me in supporting and endorsing you for Sheriff.
